Reflection Question

Think about a relay race and how each person in the race passes on the baton until the final runner runs it across the finish line.

Now imagine a really long relay race starting with Moses; the baton is the Holy Spirit; you are one of the runners who will receive the baton, and the finish line is the coming of the Messiah.

Reflect on how you think the baton - the Holy Spirit - has come upon you.

How did it pass from Moses to Jesus. How did Jesus pass it on to His disciples. How has it passed down to you? Who passed it on to you? Who have you passed it on to?
